

How to create Geo Champ

Supplies:

- 162 Note Cards
- Glue Stick
- Scissors
- Printer with color
- Three different colored pens or pencils
 - One color for capital cards
 - One color for country cards
 - One color for wild cards

How to make the game:

1. Print out:
 - a. "Flags for Cards" document
 - b. Copies of the "Answer Key" (1 for every 2 players)
 - c. Copy of the "Map Answer" (however many you wish)
 - d. Rules
2. For the FLAG cards:
 - a. Cut out the "Flags for Cards" document
 - b. Glue each flag on its separate Note Card
 - c. Put a star at the top right corner of the card in order to denote the correct direction of the flag
3. For the COUNTRY cards:
 - a. Use the "Answer Key" document and write each country name on a separate note card
 - b. Use the same color for each country name
4. For the CAPITAL cards:
 - a. Use the "Answer Key" document and write each capital name on a separate note card
 - b. Use the same color for each capital name that is different from the country cards
5. For the WILD cards:
 - a. Write "Block Turn" on 5 note cards
 - b. Write "Steal a **Grouping**" on 5 note cards
 - c. Write "Switch Hands" on 5 note cards
 - d. Write "Switch Directions" on 5 note cards
 - e. Write "Free Card" on 10 note cards
 - f. Optional: Design as you wish
