Doctor

You provide essential medical care during disasters. You assess injuries, stabilize patients, manage limited medical supplies, and help reduce community panic by offering accurate health information.

Available Kits & Tokens

1 Medical kit to start

4 Ability Tokens per game

When using a Medical Kit, the Doctor may spend 1 token to add +1 community morale.

Engineer

You inspect structures, reinforce buildings, and restore essential infrastructure. Your work allows shelters, clinics, and roads to function safely during and after a disaster.

Available Kits & Tokens

1 Repair kit to start

4 Ability Tokens per game

When using a Repair Kit, the Engineer may spend 1 token to add +1 community morale.

Firefighter

You conduct rescues, manage fires, and secure hazardous areas. Your training allows you to navigate dangerous environments and assist people during structural collapses and emergencies.

Available Kits & Tokens

2 Rescue kits to start

3 Ability Tokens
(Survival Stage Only)

During the Survival Stage, when using a Rescue Kit, may spend 1 token to add +1 community morale.

Community Organizer

You connect residents, coordinate volunteers, and ensure information and resources reach the people who need them most. You play a vital role in maintaining trust and social cohesion.

Available Kits & Tokens

1 Food kit to start

3 Ability Tokens per game

May spend their token to restore +1 Community Morale, representing community support efforts.

Scientist

You interpret data and guide evidence-based decisions. You analyze risks, monitor environmental hazards, and help the community understand what resources are needed and why.

Available Kits & Tokens

1 Food kit to start

1 Ability Token per stage

Once per stage, may spend 1 token to convert any 1 kit into another type (e.g., food → repair kit).

Mayor

You inspect structures, reinforce buildings, and restore essential infrastructure. Your work allows shelters, clinics, and roads to function safely during and after a disaster.

Available Kits & Tokens

1 Medical, Repair, and Food kit to start

3 Ability Tokens per game

Spend 1 token to give a public speech, restoring +1 Community Morale by reducing public panic.
